

January 2024

Please note:

Parents, guardians and children must remove their footwear on the carpeted area in the entrance.

Far too many children run down the hallway with their boots wet with snow making the floor wet. We kindly ask that all families do their part in keeping our centre floors dry and clean.

Save the date:

Garderie de Bambins' AGM will be held via Zoom on *Wednesday, February 14th, 2024.*

Please contact the centre if you wish to attend the AGM. The meeting link will only be sent to those who have indicated they wish to attend.

A big thank you from all the staff at Garderie de Bambins as we have received various special treats during the holidays. Those tokens of appreciation definitely give us a warm feeling. We hope that 2024 brings good health to all families!
